minuscule As you can see, the French and English alphabets are the same. This tool will serve as a French pronunciation guide. French Alphabet versus English Alphabet The French and English alphabets are the same in writing... they are quite similar in pronunciation too! I mean except for a few letters, if you had no French before and I said the French letter name, you probably could guess what letter I'm talking about. Z in French is called z: we pronounce it the same way as in British English. Buy French Language Tutorial as an e-book! French Language Tutorial includes more than 200 pages of grammar and vocabulary topics, sample sentences, informal ways of speaking, cultural information about France, and an overview of French pronunciation. Very convenient. right ! Let's focus on what's different between the two alphabets. We don't want you to waste your time. How many letters to the French Alphabet? If you are not familiar with the IPA, I have also tried to include words in Amerian English with similar vowel sounds, but please note that the vowels are not exactly the same in the two languages. How do you say a Letter in French? For example: This is called liaison. é "e accent aigu"ê "e accent grave"ë "e accent circonflexe"é "e tréma" More about French accents with audio in my free blog lesson.
